2 WASH OPTIONS TO CHOOSE FROM

EXPRESS WASH

- ✓ Exterior Wash
- ✓ Spot-Free Rinse

A great option for routine cleaning
and getting back on the road quickly.

DELUXE WASH

- ✓ Exterior Wash
- ✓ Spot-Free Rinse
- ✓ Underbody Flush
- ✓ Premium Wheel & Tire Care
- ✓ RainShield Protectant

Our most complete wash to keep your
truck looking its best and help protect it
from road grime and the elements.

OPTION 1: FABEL TRUCK WASH APP

ARRIVE

Arrive at the truck wash.

SCAN

Scan the QR code.

SELECT

Select the vehicle length
and wash.

WASH

Pull through the wash.

AS THE ACCOUNT MANAGER,
YOU'LL BE ABLE TO:

- Add and remove drivers
- View wash history and reporting
- Manage your account

To get started with the app,
reply with your cell phone number
and we'll text you the setup link.

OPTION 2: RFID TAGS

RFID tags provide a hands-free
wash experience.

Each RFID tag is assigned to a specific truck and
mounted in the upper left corner of the windshield.

When the truck arrives, the system automatically
recognizes the vehicle and starts the assigned wash—
no app or QR code required.

RFID accounts also provide wash history, reporting,
and tag management.

Each tag is programmed for a specific vehicle length
and wash. If a truck's configuration changes (such as
pulling a trailer) or a different wash is needed for that
visit, the driver can simply use the app instead.

PLEASE NOTE: We are no longer offering trailer washouts at our Appleton location.
This allows us to reduce wait times and keep vehicles moving!

READY TO GET STARTED?
